## ABOUT US

### **Agora Cabinets – Where Connection, Craftsmanship, and Outdoor Living Come Together Beautifully**

In ancient Athens, the agora was more than a marketplace – it was the heart of the city, alive with connection, conversation, and celebration.

Today, the kitchen fills that same role in our homes – a gathering place where we share good food, laughter, and lasting memories. With Agora Cabinets by Berlin Gardens, you can bring that same spirit outdoors. Designed to transform backyards into beautiful, functional spaces, Agora Cabinetry blends craftsmanship, and durability.

Each cabinet is Amish-made in Ohio using Marine Grade Poly (MGP) – a dense, weather-resistant material built to endure the elements season after season. Modular, customizable, and available in a range of colors and finishes, Agora makes it easy to create an outdoor kitchen that’s as personal as the gatherings it hosts.

Rooted in the tradition of Berlin Gardens, known for exceptional outdoor furniture and structures, Agora is the natural next step – rounding out the outdoor living experience with cabinetry built to last and designed to impress.

# KEY FEATURES

1

HAMMERED BLACK ON TEAK

1

Our modular system allows endless flexibility — mix layouts, finishes, and configurations to create an outdoor kitchen that fits your space and style perfectly. Built by experts, designed by you.

2

Engineered to perform where others can't. Agora cabinets are crafted from marine-grade polymer — a weatherproof material that won't absorb water, rot, or fade, even under constant sun or heavy rain. Designed for true outdoor living, MGP keeps your cabinetry looking beautiful and performing flawlessly season after season.

3

Behind Agora's sleek exterior lies smart ventilation that keeps your gas or propane setup operating safely and efficiently — a seamless blend of design precision and peace of mind.

4

From hinges to handles, strength meets style in every detail. Agora's stainless-steel hardware is built to withstand the elements — resisting rust, corrosion, and wear while maintaining its sleek finish and effortless function through every kind of weather.

5

Experience the quiet confidence of quality craftsmanship. Agora's soft-close hinges and drawer slides ensure smooth, silent operation every time — preventing slamming, protecting your cabinetry, and adding a refined touch to every interaction.

## Agora Outdoor Cabinetry – Care & Maintenance

**Poly Material (MGP):** To maintain the beauty of your cabinets, clean it regularly with **Berlin Gardens Cleaning Products** or a non-abrasive soap and water. While most colors need to be cleaned only several times per year using soap, water, and a soft brush. Certain colors such as White (but not limited to this color) need to be cleaned frequently to maintain its original beauty. In extreme situations and with colors such as White, spray the cabinets thoroughly with **Berlin Gardens Mildew Stain Remover**, then scrub the cabinets using a soft brush and rinse off with warm clean water. If needed, spray the cabinets with a nonabrasive cleaner and wash it using a high-pressure washer (not exceeding 1,200 PSI). Please make sure the tip is set to a spray pattern of no less than 25 degrees. Avoid placing the tip of your pressure washer closer than 16” to 20” from the cabinets to avoid damage. If any colored liquids such as wine, or soft drinks are spilled on your top, clean immediately to avoid possible stains. Avoid placing flowerpots or any items on all scratch that will leave stains or scratch the poly.

**Caution:** Do not place hot items directly onto the cabinets to avoid melting.

**Fasteners:** All fasteners on cabinets manufactured by Agora by Berlin Gardens are stainless steel with most fasteners being Chrome Plated. Chrome Plated Stainless Steel is a coated stainless steel and one of the most corrosive resistant fasteners on the market. However, in extreme conditions such as coastal areas, while Chrome Plated Stainless Steel will be less likely to rust, it is still recommended to regularly rinse it with fresh water to ensure the longevity of your furniture and fasteners.

**Stainless Steel Components:** Stainless Steel drawer slides and hinges used in Agora Cabinets are 304 grade stainless steel and may rust in normal outdoor conditions and/or coastal areas. In extreme conditions such as coastal areas, it is recommended to regularly rinse Stainless Steel Components with fresh water to help prevent rusting.

## Agora Outdoor Cabinetry – Warranty

Berlin Gardens (“Berlin Gardens”) warrants to the original purchaser that its Agora Outdoor cabinetry products, which are limited to cabinet carcass, doors, drawers, and shelves will be free of original defects in workmanship and materials for a period of **twenty (20) years** of residential use or **five (5) years** of commercial use, unless otherwise noted in this warranty. The warranty is effective starting on the date of purchase. At its option, Berlin Gardens will repair or replace this product without charge for materials and labor, providing our inspection indicates that an original defect exists. Should Berlin Gardens choose to replace the product, and the product is no longer available at the time the warranty service is required, a substitution of similar performance and equal or greater value will be made. Polyethylene is a synthetic product and may scratch, can fade when exposed to sunlight, or stain after prolonged contact with other substances, all of which are not covered by this warranty.

Some expansion and contraction is to be expected during changes in humidity and temperature. The foregoing shall not be considered defects in materials or workmanship and are not covered under this warranty. Stainless steel fasteners and components are warranted not to fail structurally for the applicable warranty period. Stainless steel may rust in certain extreme conditions (such as coastal areas) if not maintained. This warranty does not cover rusting fasteners or structural failure due to rusting fasteners, damage caused by unauthorized service or repair, alteration of this product, abuse or misuse, normal wear and tear on materials, such as warping, or any attempt to use the product in a manner or for a purpose other than for which it is customarily intended. All components not produced by Berlin Gardens, such as countertops, grills, refrigerators, ice makers, appliances, stainless steel handles, pulls, hinges and drawer glides, are not covered by this warranty. Damages to this product or otherwise resulting from the installation, use, misuse of or any malfunction of components not manufactured by Berlin Gardens is not covered by this warranty. This warranty also does not cover normal wear, excessive heat, scratching or chipping of polyethylene; however, this warranty shall not limit any warranties made by the manufacturer for such items which may extend to you.

Berlin Gardens makes no warranties other than those which are specifically described herein. Berlin Gardens makes no implied warranty of merchantability or implied warranty of fitness for a particular purpose. Some states do not allow limitations of implied warranty so this limitation may not apply to you. In that event, any such implied warranty is limited to that required by law. Berlin Gardens shall not be liable for incidental or consequential damages, including, but not limited to, lost profits or other economic or commercial losses. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations and exclusions may not apply to you. The sole remedy provided in this warranty is repair or replacement of this product. Any cost of shipping and handling shall be paid by you. Claims for original defects in workmanship or materials shall be made in writing to Berlin Gardens no later than ten (10) days after the expiration of the warranty period at the address below:
